#### Great Burgers!

★★★★★ by BobbyD619 at 10/23/2009

I gotta say, the Laurel's burgers are awesome! I found out they get their burger meat from Janowski's Burgers in Rockville Centre and they grill them over an open flame to whatever temperature you want - yeah, you can get them medium rare - not like that other 'burger joint' in town which to me is a high priced Wendy's!! And they're huge! My fave is their Manga Burger! You got to check them out!
