Clearly the best food on the beach. This is the only luncheonette where the owners actually attempt to serve quality stuff. Long Beach is notorious for garbage served to stupid people, but the Laurel is run by Greeks from Astoria who know how to cook and understand that the food cost is actually part of their overhead. Don't even think of buying a burger or BLT anywhere else in Long Beach. The Laurel's is tops, even compared to some of the better diners on Long Island. Nice people doing a good job. They earn my bucks every time I eat there...
